Notification No. 5885—P.S.C. 62-43-1, dated 30th—31st May 1944.

Applications are invited from Science Graduates in the Form given below for admission to the Mysore Forest Ranger's School which will be started from 1st July 1944 for training of candidates with a view to their subsequent employment in the Forest Department.

2. The applicants must be Mysoreans by birth or domicile and should have passed the B.Sc., Degree examination of the Mysore University or an equivalent examination of any other recognised University, preferably with Botany and Chemistry as their optional subjects.

3. The candidates must not be more than 25 years of age in case of Brahmins and 28 years of age in case of non Brahmins.

4. The course of instruction will extend over a period of 20 months classified into Head Quarter and Field terms.

5 During the Head Quarter term classes will be held in the Forest Research Laboratory, Bangalore.

6. Practical instructions during the Field term will be given in the forests of Shimoga and Mysore Districts. Excursions will also be arranged now and then during the Head Quarter term. These tours may involve an expenditure of Rs. 25 to Rs. 30 per mensem on an average

7. Candidates have to bear all the expenses incidental to the training, which including tour expenses would come to about Rs. 1,000 for the entire course. They will, however, be granted during the period of training stipends at Rs. 25 per mensem each, subject to the usual conditions of satisfactory progress and conduct.

8. No tuition fees will be charged.

9. The following certificates should be enclosed to the application for admission to the School:—

(a) Certificate of age.

(b) True copies of certificates of examinations passed.

(c) Certificate of physical fitness issued by a Medical Officer not below the rank of an Assistant Surgeon with particular reference to the capacity of the applicant to withstand the rigor of forest life and to the fact that he bears marks of successful vaccination or of small-pox.

(d) Certificates bearing dates not earlier than 1st May 1944 from two Gazetted Officers—one of whom should be the Principal or the Head of the institution in which the applicant last studied or the head of the department in which the applicant is serving regarding the social standing and character of the applicant.

(e) Certificate from a Gazetted Officer to show that the applicant is a Mysorean by birth or domicile.

10. Applications should reach the Public Service Commissioner for Mysore, Bangalore, on or before 15th June 1944. Applications of those already in service should be sent through their official superiors.

11. Applicants have to present themselves in the office of the Chief Conservator of Forests in Mysore, Bangalore, or in any other office on a day to be fixed, for personal interview at their own expense if and when called for.

12. Such of the candidates as will come out successful in the examination to be held after the period of training is over, will be appointed as Rangers on Rs. 50 per mensem or as first Grade Foresters in grade Rs. 35—2—45, as vacancies become available, but it should be distinctly understood that appointments are not guaranteed.

13. Within ten days after selection, the selected candidates will be required :—

(1) To furnish security to the satisfaction of the Chief Conservator of Forests in Mysore in regard to their being able to meet the entire expenses on account of the training (over and above the stipend that will be given to them by Government) from their private resources ; and

(2) To execute agreements binding themselves to serve the Mysore Government in any appointment that may be offered, for not less than five years after successfully completing the course of training and in the alternative to refund the total amount of stipend drawn by them from Government.

N.B.—(1) This penalty is also applicable to the candidate who is removed from the School for misconduct or for unsatisfactory progress at the school or drops out on his own accord.

By Order,

D. MUNISWAMY,

Secretary to the Public Service Commissioner.

4. Applicants already in service must forward their applications through their official superiors.

5. Candidates must be prepared to be interviewed at their own expense, and those who are interviewed should bring the original of their testimonials with them.

6. Applications should be addressed to the undersigned and sent so as to reach him on or before 30th June 1944.

9488

Notification No. 6019—*P.S.C.*, *dated* 10*th* June 1944.

Applications in the prescribed form are hereby invited from Candidates of Backward Communities only possessing the following qualification for issuing approved "B" or "Special" list of candidates for appointment as Agricultural Inspectors in the Unit of the Director of Agriculture in Mysore during the year 1944-45.

2. Qualification.—Candidates must have passed the Licentiate in Agriculture Examination (L.Ag.) from the Agricultural School, Hebbal, Bangalore, or any other recognised equivalent examination.

3. Candidates must be Mysoreans by birth or domicile. Where an applicant claims to be a domiciled Mysorean, a certificate from a Gazetted Officer of the Mysore Service, showing the grounds for the claim should be enclosed.

4. Age limit.—The maximum age of entry into service is 28 years.

5. Departmental Tests.—In addition to the above qualification, the candidates appointed may be required to pass such departmental tests as may be prescribed by Government from time to time.

6. As vacancies occur, the appointments will be made from the approved list according to relative order assigned to the candidates.

7. The candidate appointed will be started as a probationer in the Unit of Recruitment and will on the cessation of the temporary or acting vacancy in which, he is appointed, be, as far as possible, continued and provided for in other vacancies of the same class, till he is finally absorbed. He will ordinarily start at the bottom of the service in the class to which he is appointed and will be on probation for a period of one year.

8. Intending candidates should submit their applications, in duplicate, in the prescribed form, together with copies of testimonials, etc., so as to reach the undersigned on or before 1st July 1944. Candidates in service should submit their applications through their official superiors.

7. No notice will be taken of applications that are not in response to this notification, or are received after the due date, or not submitted in the prescribed form or do not furnish all the particulars required in the various columns of the form.

3	Sagar ...	1,50,000	1,50,000	2,50,000	...	5,50,000	
4	Mysore ...	1,50,000	1,50,000	2,00,000	...	5,00,000	
5	Bhadravati ..	2,00,000	3,00,000	2,00,000	5,00,000	12,00,000	
					Total ...	31,00,000	More or less

N.B.—A. Class.—Nearly solid at the butt and with a cavity not exceeding ⅜″ dia. at the top supplies will be from Dendrocalamus strictus.
B. Class.—Mostly bambusa arundicacca. Central hollow is of no consideration but the walls should not be too thin.
C. Class.—Bambusa arundicacca only. Central hollow is of no consideration but the walls should be fairly thick.
Splits.—Slight variations in length permissible.

Bamboos should be reasonably straight. Flowered bamboos will be accepted provided flowering has taken place only recently and the bamboos have still the greenish tinge and do not show signs of perishing.

Tenders should be superscribed as "*Tenders for supply of Bamboos*" and addressed to the Chief Conservator of Forests in Mysore, Bangalore.

Each tender must be accompanied by a tender deposit of Rs. 200 (rupees two hundred) in currency notes.

The successful tenderer will be required to pay an additional sum of Rs. 300 in addition to the tender deposit of Rs. 200 already paid towards security deposit for the due fulfilment of the conditions of contract.

Bamboos must be collected only after payment of the prescribed seigniorage rates and duly obtaining prepaid licenses. The seigniorage paid will not be refunded for failure to remove the quantities paid for within the time specified in the license. The supplies should commence from July 1944 and completed by December 1944. The monthly supplies should not fall short of one-sixth of the quantities specified above on any account.

Rates for supply should be specifically mentioned *both in words and figures at so much per hundred* for delivery M. E. S. Stores Depot, Yesavantpur, in the case of supplies from Bangalore Division ; and for delivery f. o. r. despatching stations in the case of supplies from other divisions.

Priority certificates for wagons will be provided. The department will not, however, undertake any responsibility for damage caused to materials as a result of delay in allocation of wagons.

Each consignment should be covered by a way permit issued by the Forest subordinate authorised to do so by the Divisional Forest Officer concerned before the consignment leaves the collection centre.

Payments to contractors will be made at the accepted rates, by means of cheques by the respective Divisional Forest Officers on the quantities passed by a Forest Officer as being correct to specifications and on production by the contractors of Provisional Inspection Notes and loading tally sheet, issued by the Range Forest Officer in the case of despatches by rail and in other cases on quantities acknowledged by the Officer in-charge, M. E. S. Stores Depot, Yesavanthapur.

The successful tenderer should execute an agreement binding himself by the above said conditions and other usual conditions, on a stamp paper of proper value procured at the expense of the contractor.

Failure to abide by the conditions of contract will entail forfeiture of security deposit and cancellation of the contract.

C. ABDUL JABBAR,
Chief Conservator of Forests.

DEPARTMENT OF AGRICULTURE.

LIVE-STOCK SECTION.

Notification dated 1st June 1944.

It is hereby notified for the information of the public that surplus Amrit Mahal Cattle will be sold by public auction by the Superintendent or any other officer deputed by him on the dates and places and subject to the conditions mentioned below:—

The sale will commence at 3 P.M. precisely on each day.

Sale Centre.	*Date.*
I. Ajjampur C. B. S. ...	27th June 1944.

The sale shall be knocked down in favour of the person who offers the highest bid, provided the Superintendent or the officer conducting the sale does not consider it unreasonably low. As soon as the sale is concluded, the purchaser shall pay 25 per cent of the sale amount and furnish suitable security for the balance. The balance shall be paid by him within three days from the date of sale, failing which the animal shall be resold at the risk of the original purchaser. Any loss that may accrue on such resale, shall be recoverable from him as arrears of land revenue, but he shall not be entitled to participate in the event of any profits. The animal, till then, will be retained by the Department at the risk of the purchaser.

2. Persons whose solvency may be considered to be doubtful, may be required by the officer conducting the sale at his discretion, to deposit from Rs. 10 to Rs. 25 so as to ensure their *bona fides* at the time of bidding.

3. Withdrawal or takarar of any kind will not be considered once the bid is offered in open sale and concluded and the final record of the sale in the register and signing thereof by the purchaser (which is compulsory) or in case the party refuses to sign, a note to this effect by the officer conducting the sale shall be tantamount to acceptance of all liabilities imposed in sale conditions.

Notification No. S. P. C. 1877, *dated 27th July* 1944.

Enquiry No. 6639.

SUPPLY OF CASTOR OIL REQUIRED FOR THE MEDICAL STORES DURING 1944-45.

Sealed tenders will be received by the undersigned for the supply of 500 tins of 38 lbs. each or 19,000 lbs. of pure castor oil required for the Medical Stores, up to 6 P.M. on the 15th August 1944.

Tenders will be subjected to the following conditions:—

1 The quantity noted above is only approximate and may be more or less than that specified above. The total quantity to be purchased shall be deemed to be limited to the actual quantities drawn on indents from time to time.

2 The prices should hold good for a period of one year from the date of letting the contract. Applications for enhancement of prices due to whatever causes will not be considered during the period of contract.

3 The oil should be pure and free from adulteration or other impurities. It should also be free from bad smell and taste.

4 The oil will be required to be supplied in tins of 38 lbs. net weight and the price should be quoted in terms of tins.

5 Samples should be submitted in duplicate. One sample thereof will be got tested and analysed at the expenses of the tenderer and the cost of such tests, *viz.*, Rs. 20 per sample should be remitted to this office along with the tender.

6 All indents from the Superintendent, Medical Stores, will be required to be complied with within seven days from their receipt.

7 Supplies made otherwise than according to the accepted quality will be rejected at the risk of the contractors, who should replace the rejected supplies by those conforming to the approved sample.

8 Failure to make supplies in time and satisfactorily will entil cancellation of the order and forfeiture of the security deposit specified in the following clause. The Stores Purchase Committee will, in such an event, be at liberty to purchase the oil from other sources, the extra cost, if any, being debited to contractors, in addition to the levy of a penalty of 3 per cent of the value of the contract, as and by way of liquidated damages.

9 Successful tenderers will be required to execute an agreement undertaking to abide by the above conditions and also to deposit an amount equal to 5 per cent of the value of the contract as security for the proper performance of the contract.

10 Withdrawal from tender before acceptance or thereafter or failure to execute the agreement and furnish the requisite deposit will entail removal of the tenderer's name from the list of approved firms.

OFFICE OF THE SECRETARY, STORES PURCHASE COMMITTEE "UNITED INDIA" BUILDING, BANGALORE.

No. S. P. C. 2180-218, *dated 2nd August* 1944.

To

The Firms dealing in Papers

GENTLEMEN,

Enquiry No. 6649.

SUPPLY OF PRINTING, WRITING AND OTHER PAPERS REQUIRED DURING 1944-45.

Sealed tenders will be received by the undersigned up to 5 P.M. on the 28th August 1944, for the supply of printing, writing and other papers required during 1944-45, the tenders being superscribed as "Tenders for the supply of printing, writing and other papers required during 1944-45" and addressed to the Secretary, Stores Purchase Committee, Bangalore. The tenders will be subject to the following conditions :—

1. Tenders should specify rates per unit and such rates must be inclusive of the cost of free delivery of the articles at the Government Stationery Depot or F.O.R. Mysore, and should hold good for a period of 4 weeks from the last date fixed for receiving the tenders. Tenderers who are not residents of Bangalore and Mysore Cities may quote rates for deliveries F.O.R. Bangalore and Mysore.

2. Samples of each and every item tendered for must be furnished to the Secretary, Stores Purchase Committee, Bangalore, along with the tenders, each sample being carefully labelled with the name and date of the tenderer. Items without samples will not be considered. *Samples will not be paid for.*

3. Tenders should hold good for a period of one year from the date of placing the order. The quantities given in the schedule are only approximate and are liable to be increased or decreased if necessary and the contractors will be required to supply the quantity finally ordered. The quantities supplied in excess of those ordered will not be paid for.

4. No representation for enhancement of rates once accepted will be considered during the currency of the contract.

5. The papers should be delivered within the time to be stipulated by you. In the event of failure to do so, the Stores Purchase Committee shall be at liberty to make purchases of such quantities as may be considered necessary in the open market at the contractors' risk and expense and to levy from the contractors in addition a sum equal to 3 per cent of the contract price of such portion of the order as may not be delivered in time, as liquidated damages.

6. In case where prices are accepted for delivery in Bangalore or Mysore, the consignments should be booked "*Freight Paid*" and not "Freight to Pay." Demurrage charges that may be incurred by the failure to prepay freight from the place of despatch will be debited to contractors.

7. Papers not up to the accepted samples will be rejected at the contractors' risk. They will be required to replace the rejected quantities by correct ones free of cost.

8. The successful tenderer will be require to deposit as security an amount equal to 5 per cent of the contract price and to execute an agreement on a Mysore Government Stamp Paper of the value of ten annas for the due fulfilment of the contract within 15 days from the receipt of the intimation of acceptance of the tender.

9. In matters of dispute regarding the quality of the material not being in conformity with the approved sample or the performance of the terms of contract, the decision of the Stores Purchase Committee shall be final.

No. S. P. C. 2415-66, *dated 3rd August* 1944.

To

The Firms dealing in Stationery Articles.

Gentlemen,

Enquiry No. 6656.

SUPPLY OF STATIONERY ARTICLES REQUIRED BY THE GOVERNMENT STATIONERY DEPOT, DURING 1944-45.

Sealed tenders will be received by the undersigned up to 5 P.M. on the 28th August 1944 for the supply of sundry stationery articles required for the Government Stationery Depot during 1944-45. The tenders should be superscribed as "Tenders for the supply of Stationery Articles required during 1944-45" and addressed to the Secretary, Stores Purchase Committee, Bangalore.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

1. Tenders should specify rates per unit in the schedule including all charges for free delivery at the Government Stationery Depot, Bangalore. Tenderers who are not residents of Mysore and Bangalore may quote for deliveries F. O. R. Bangalore.

2. The rates quoted should hold good for a period of 4 weeks from the last date fixed for receiving the tenders.

3. Samples of each article tendered for should be sent to the undersigned along with the tender, the samples being carefully labelled with the name of the tenderer with date. Samples will not be paid for and will be returned if so desired by the tenderer at his

expense, the Stores Purchase Committee being not responsible for the correct return or for loss or damage from any cause although every effort will be made to return them correctly and in good condition.

4. Tenders should hold good for a period of one year from the date of placing the order. The quantities noted in the schedule are only approximate. If additional quantities are required the contractor will be bound to supply such quantities at the accepted rates. *Quantities supplied in excess of the quantities ordered will not be paid for.*

5. All indents should be promptly attended to and all articles must be delivered within the time specified in the indent. In the event of failure to deliver the articles within the time specified in the indent, the Stores Purchase Committee reserve the right to make purchase in the open market to the extent necessary at the contractor's risk and expense and to levy in addition from the contractor a sum equal to three per cent of the contract price of such articles as may not be delivered in time, as liquidated damages.

6. No representation for enhancement of rates once accepted will be considered during the currency of the contract.

7. In cases where F.O.R. Bangalore rates are accepted, the contractors should book the consignments "*Freight Paid*". Demurrage charges incurred by the failure to prepay the railway freight from the place of despatch will be debited to the contractors.

8. In the case of articles rejected as not being in accordance with the approved samples or as having been received in a damaged condition the contractor should be prepared to take them back and replace them by correct materials without additional cost to Government.

9. For the due fulfilment of the contract, the successful tenderers will be required to execute an agreement on a Mysore Government Stamp Paper of the value of ten annas and to furnish a security deposit of 5 per cent of the value of the contract within 15 days from the date of intimation of acceptance of tender.

In matters of dispute regarding the supply not being in conformity with the approved quality or the performance of the terms of contract, the decision of the Stores Purchase Committee shall be final.

Notification dated 12th August 1944.

It is hereby notified for general information that the right to fell and remove 506 Teak, Honne, Mathi and other Junglewood kinds of trees yielding about 2,560 c.ft. of timber from Sagare Inam Forest in Heggaddevankote Taluk, Mysore District from the date of confirmation up to the end of December 1944, will be sold by public auction by the District Forest Officer, Mysore Divison or any other officer deputed by him on Monday the 11th September 1944 at Sargur (at 3 P.M.) subject to the following conditions.

N.B.—The quantities are approximate.

CONDITIONS.

1. The sale is subject to confirmation by the Chief Conservator of Forests in Mysore, Bangalore.

2. Each bidder shall, before he is permitted to bid, is required to furnish an earnest deposit of Rs. 100 (Rupees one hundred only) with the officer conducting the sale. The deposit will be returnable to him at the close of the sale, if his bid is not accepted. The person whose bid is accepted shall, immediately after the close of the sale, pay 25 per cent of the sale amount on the minimum quantity of 2,560 c.ft. together with full local cess at Re. 0-1-0, Education Cess at 0-0-9 and local cess at 0-0-3 per rupee on the total value less the earnest deposit already paid; failing which, the right will be resold at the risk of the original purchaser. He will be liable for the loss, if any, that may result by such resale or by Departmental working and will be recovered from him as arrears of Land Revenue but he should not participate in any gain.

3. Defaulters to the Department on account of any sale or lease will not be allowed to bid at the sale.

4 Power is reserved in the District Forest Officer or other officer conducting the sale to accept or reject any bid without assigning any reason therefor.

5. Within a week from the date of intimation regarding the confirmation of the sale, the person whose bid is accepted shall deposit a sum of Rs. 100 or 25 per cent of the sale amount, whichever is less as security towards the due fulfilment of the conditions of the contract. He shall also pay within the above period, *i.e.*, one week from the date of intimation of confirmation of the sale, the remaining 75 per cent of the sale amount and shall execute an agreement on a stamped paper of proper value accepting the above terms and the terms specified below; failing which, the amount already paid will be forfeited to Government and the right resold at the risk of the original purchaser as noted in clause 2 above.

6. The value of excess quantity collected on the minimum of 2,560 c.ft. should be paid before removing the timber from the Forest.

7. The security deposit on the balance thereof as may remain over after the expiry of period of contract shall be repayable to the contractor on his producing proof of being free from any liability under the contract.

8. The following are the fourteen conditions to which the contractor shall bind himself:—

(*a*) That he shall fell and remove the timber purchased by him before 31st December 1944.

(*b*) That he shall make the fellings of the trees in a consecutive order from one side of the area allotted by the Local Range Officer.

(*c*) That no timber prepared shall be removed unless it is measured and sold—stamped by the Range Forest Officer and until it is duly paid for.

(*d*) That each consignment of timber shall be covered by a passport issued by the Range Forest Officer or any officer deputed by him.

(*e*) That he shall abide by the rules of the Department as regards the kindling of fires and shall hold himself responsible for any forest offence committed by his agents, employees or workmen.

(*f*) That he shall not conduct any operation in the Forest after sunset or before sunrise.

(*g*) That he shall not sublet the contract to anybody except with the written sanction of the District Forest Officer, Mysore Division.

(*h*) That he shall have no right whatsoever over the coupe or over the timber paid for but left unremoved in the Forest after 31st December 1944.

(*i*) That for any breach of any of the conditions of the contract by the contractor or his agent, the contract shall be void at the option of the District Forest Officer and the latter may after issuing to the contractor a notice of cancellation of contract, enforce forfeiture of all or any part of the deposit and shall resell the right or work it departmentally at the risk of the contractor as noted above. If the deposit either in full or in part is forfeited at any time, it shall be immediately made good by the contractor.

GOVERNMENT OF MYSORE, STORES PURCHASE COMMITTEE "UNITED INDIA" BUILDING, BANGALORE.

No. S. P. C. 3058-71, *dated* 9*th August* 1944.

To

The Firms dealing in Food Grains.

Enquiry No. 6666.

CRUSHED HORSE GRAM.

GENTLEMEN,

Sealed tenders will be received by the Stores Purchase Committee for the supply of Crushed Horsegram free from dust and other impurities, to the

Serum Institute, Hebbal, Bangalore, during the year 1944-45.

The approximate quantity required during the year is 175,000 lbs.

The tenders submitted in response to this enquiry will be subject to the following conditions:—

1. The Stores Purchase Committee do not bind themselves to accept the lowest or any tender.

2. Tenders should be for supply of only good and cleaned grain, free from all kinds of impurities and suitable for being consumed without further cleaning.

3. The quantity specified above is only approximate. The actual quantity to be purchased will be more or less. The contract will be deemed to be limited to the quantity actually drawn on indents during the period of contract.

4. The tenderer should specify the rate per 100 lbs. net, which should include all charges for free delivery at the Serum Institute, Hebbal, Bangalore. Samples of grain offered should also accompany the tenders in two sets.

5. The rate quoted should hold good for a period of two weeks from the date fixed for receiving the tender. Withdrawal from tender before the above period or after acceptance of the tender is communicated, due to whatever causes, will entail forfeiture of earnest money deposited in connection with the tender.

6. For the due fulfilment of the contract the successful tenderers will be required to execute a stamped agreement within a week from the date of receipt of intimation that their tenders have been accepted and to deposit as security, an amount equal to 5 per cent of the value of the order, failing which the earnest money referred to in the following paragraph will be forfeited to Government and the order cancelled immediately.

7. Tenderers should remit a sum of Rs. 100 as earnest money to the State Huzur Treasury with the chellan form which can be had from the undersigned and the fact should be duly noted in the tender. Any tender not complying with this condition will not be considered. Earnest money will be returned to parties after the tenders are disposed of in the case of unsuccessful tenderers but in respect of successful tenderers only after the requisite security deposit is furnished.

8. The contract will run for a period of one year. The contractors whose tender is accepted should be prepared to supply the material at the accepted rate and in strict conformity to the approved sample on indents from the Superintendent of the Serum Institute, Hebbal, Bangalore, within the time specified in the indents. All unsatisfactory supplies will be rejected.

9. No application from the contractors for any enhancement of the prices accepted by the Committee, due to whatsoever causes will be entertained during the period of contract.

10. Should the contractors fail to comply with any of the conditions detailed above, the contract will forthwith be cancelled and the security deposits forfeited to Government. The contractors will further be bound to make good to Government any loss which may arise from their failure to supply the articles contracted for or by Government having to purchase the articles specified in the contract in the local market at higher rates than those contracted for.

11. The Stores Purchase Committee may at their discretion and within the limits of the accepted rate determine the relative price of any articles that may not, in their opinion, be found up to the standard of quality required, but accepted by the indenting officer on ground of urgency or other causes.

12. Should any question arise respecting the quality of the materials supplied or the manner of the performance of the contract, the contractors should agree to abide by the decision of the Stores Purchase Committee.

13. Quotations for both crushed and uncrushed horsegram may be separately given.

14. Tenders should be sent in sealed covers superscribed "Tender for the supply of food grains for the Serum Institute" so as to reach the undersigned on or before the 2nd September 1944.

Enquiry No. 6673.

SUBJECT :—Crystal Alum.

DEAR SIR/GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the undermentioned schedule :—

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following condition.—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Crystal Alum" with the above enquiry number.

The enquiry will be closed on the 30th August 1944.

The successful tenderer or tenderers shall, within one week from the date of acceptance of their tender or tenders, execute a stamped agreement, and also deposit a sum of Rs. 150 in cash or in Government Promissory Notes (less the initial deposit of Rs. 50) for the due performance of the contract. The deposits of the unsuccessful tenderers will be returned to them.

7. The Registrar does not bind himself to accept the lowest or any tender, or to accept or reject more than one tender without assigning any reasons.

8. The printing shall be done on durable white paper of foolscap size in clear type expeditiously and corrrectly and in all respects to the satisfaction of the Registrar. Kannada types should be used where such words are found.

9. Ten copies of the printed books of each record shall be supplied. Whenever more than ten copies are required, intimation will be given by the Registrar beforehand and in respect of such additional copies only, the cost of paper should be charged for.

10. No proof will be corrected by the High Court and the printers are solely responsible for the correctness of the printed matter. They are also responsible for the safe custody and return of all records entrusted to them for printing.

11. The printer shall make arrangements for taking delivery of the records to be printed and for the delivery of the printed copies at the High Court itself.

12. The Registrar does not guarantee any or particular number of records to be sent to the printers during the period of the contract.

13. The Registrar shall have power to fix the time within which each or any piece of work has to be completed and returned, to reject bad work, to reduce in his discretion the rate for any particular piece or pieces of work which may in his opinion be unduly delayed or of inferior quality and to cancel the contract at any time if the work is found to be unsatisfactory.

13-A. The Registrar shall also have power to reduce the rate for a page proportionately, if it contains less than 50 lines.

13-B. The Registrar shall also have power to demand refund at any time after payment is made o any amount found to have been paid to the printer in excess.

14. If at any time during the subsistence of the contract the printing of records for the High Court is taken over by the Government Press, the contract will be deemed to have automatically ceased, and the printer shall not be entitled to any compensation or damage on that account.

15. The decision of the Registrar of the High Court on all questions relating to the contract (subject to an appeal to the Chief Justice) shall be final.

16. Printed tender forms can be obtained from the Office of the Registrar, High Court, between 12 NOON and 4 P.M., on working days and the sample showing the quality of paper and the style of printing, etc., required may also be inspected during the same hours.

Notification No. 1289—*P. S. C.* 6-44-1, *dated* 3rd October 1944.

Applications are hereby invited from candidates belonging to Backward Communities for admission to the subordinate services of Government in respect of Teachers in Urdu Primary Boys' Schools, Class II, as vacancies occur in the unit noted below, during the official year 1943-44, in accordance with the revised rules of recruitment, issued with Government Order No. 6-105—C. R. B. 1-34-1, dated 3rd July 1934 and published in Part I of the *Mysore Gazette*, dated 5th July 1934.

Unit to which candidates are required:—Mandya and Chitaldrug Districts.

1. Candidates must be Mysoreans by birth or domicile. Where an applicant claims to be a domiciled Mysorean, a certificate from a Gazetted Officer of the Mysore Service, showing the grounds for the claim of domicile should be enclosed.

2. Qualification.—A pass in the Urdu Lower Secondary Examination or a certificate of having studied in the V Form of a recognised High School with Urdu as second language.

3. Departmental Tests.—In addition to the general educational qualifications mentioned above, candidates for appointments may be required to pass such departmental tests as may be prescribed by Government from time to time.

4. As vacancies occur, appointments will be made from the approved lists according to relative order of mention therein of the names of candidates.

5. Age limit.—The maximum age for entry into service will be 28 years in the case of Backward Communities.

6. Candidates must be prepared to take up service in any part of the Mysore State.

7. The candidate appointed will be started as a probationer in the Unit of Recruitment and will on the cessation of the temporary or acting vacancy in which he is appointed, be as far as possible, continued and provided in other vacancies of the same class till he is finally absorbed. He will ordinarily start only at the bottom of the service in the class to which he is appointed and will be on probation for a period of one year. He will also be liable to be transferred to any part of the State.

8. Intending candidates should submit their applications in duplicate in the prescribed form together with copies of testimonials, etc., so as to reach the undersigned on or before 20th October 1944. (Candidates in service should submit their applications through their official superiors).

9. The applications of the candidates whose names are already included in the Central Recruitment Board approved lists, and who are already in service, will not be considered.

10. No notice will be taken of applications that are received after the due date, or are not submitted in the prescribed form, or do not furnish all the particulars required in the various columns of the forms.

11. Trained candidates and qualified candidates of the District will be given preference.

By Order,

D. MUNISWAMY,

Secretary to the Public Service Commissioner.

2447

Notification dated 17th October 1944.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 3 P.M. on the 10th November 1944, for the work of "Providing Meccadum Roads for Yeswanthapur Colony, Bangalore North Taluk. An abstract of approximate quantities is given below. These quantities are not guaranteed. The work should be completed and handed over to the department before the end of April 1945, with a progress not less than Rs. 1,500.

The plan, detailed estimate and conditions may be seen at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, between 12 and 6 P.M. on all working days.

Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer on payment of annas four for each form. Tenders not in printed form will not be accepted. The tender should be accompanied with a statement in the form given below showing the rates at which the different items specified will be executed.

Each tender must be accompanied with an earnest money deposit of Rs. 310 in cash or a duplicate chellan for having credited into the Treasury under "17 (*a*) P. W. Deposits" and the tenders should be superscribed "Tender for Providing Meccadum Roads in Yeswanthapur Colony, (Bangalore North Taluk)," in default of which the tender will be rejected. No possible dues from the department in lieu of cash deposit or chellan will be considered.

The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which the tender will be considered as cancelled and his earnest money will be forfeited.

The name of the successful competitor whose tender has been accepted, will be pasted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of tender will receive any reply.

On acceptance of one of the tenders, the earnest money on the rejected tender will be refunded.

Charges on account of scaffolding materials, implements for setting out the works, barricading, clearing sites, supply of water, etc., that may be found necessary during execution will not be separately paid for but shall be borne by the contractor.

Rates for the non-tendered and non-estimated items of work shall be as per schedule of rates in the department or those fixed by the Sanitary Engineer after working out data which will be not more than 10 per cent for contractor's profit.

In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Director of Public Health in Mysore, Bangalore, will be final and legally binding.

The work shall be according to the specification in force in the department.

Tenders to be quoted on percentage basis instead of quoting rates for individual items.

Notification No. 1533—*P. S. C.*, *dated* 14*th October* 1944.

1. It is hereby notified that it is proposed to recruit eight Probationary Assistant Engineers to the Public Works Department.

2. Applications are invited for the above posts from graduates in Engineering, Civil or Mechanical of the Mysore University or other recognised University. Applicants should be Mysoreans either by birth or domicile.

NOTE.—(1) A person acquires a domicile in Mysore when he has voluntarily fixed the habitation of himself and his family therein, not for mere special or temporary purposes, but with the present intention of making it his permanent home. A continued residence for five years shall be *prima facie* evidence of having acquired a domicile.

(2) A certificate from a Gazetted Officer of the Mysore Service showing that the candidate is a native of Mysore by birth or domicile should be furnished with each application.

3. Applications should be in the form annexed and addressed to the Public Service Commissioner for Mysore by official designation (not by name) and should reach his office on or before the 11th November 1944.

4. No applications from candidates who are over 28 years of age in the case of Backward Communities and 25 years in the case of others, will ordinarily be entertained except in the case of those referred to in paragraph 5. The original horoscope of the applicant or a declaration as to his age sworn to before a Magistrate and attested by him or baptismal certificate should accompany each application.

5. Candidates in Government Service may also apply through their official superiors.

6. Each application should be accompanied by a certificate from a Medical Officer, not below the rank of a Surgeon or from a District Medical Officer, as to the fitness of the candidate for the active duties of an executive officer, and two testimonials from gentlemen of recognised standing as to his character, social status, etc., together with the Principal's certificate as to his academic career, etc.

7. Candidates are warned against attempting to approach either directly or through relatives and friends, any of the members of the Committee appointed to make a selection

from among the candidates. The applications of candidates restoring to such a practice will be summarily rejected.

8. The selected candidates will be on probation and are required to undergo a course of training in the various items of work pertaining to the department to which they may be posted and also to pass the prescribed departmental tests, if any.

9. After the satisfactory completion of probation, the candidates will be appointed in the regular cadre of the department.

ENGINEERING DEPARTMENT

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Notification dated 17th October 1944.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 3 P.M. on the 10th November 1944, for the work of "Providing Meccadum Roads for Yeswanthapur Colony, Bangalore North Taluk. An abstract of approximate quantities is given below. These quantities are not guaranteed. The work should be completed and handed over to the department before the end of April 1945, with a progress not less than Rs. 1,500.

The plan, detailed estimate and conditions may be seen at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, between 12 and 6 P.M. on all working days.

Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer on payment of annas four for each form. Tenders not in printed form will not be accepted. The tender should be accompanied with a statement in the form given below showing the rates at which the different items specified will be executed.

Each tender must be accompanied with an earnest money deposit of Rs. 310 in cash or a duplicate chellan for having credited into the Treasury under "17 (*a*) P. W. Deposits" and the tenders should be superscribed "Tender for Providing Meccadum Roads in Yeswanthapur Colony, (Bangalore North Taluk)," in default of which the tender will be rejected. No possible dues from the department in lieu of cash deposit or chellan will be considered.

The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which the tender will be considered as cancelled and his earnest money will be forfeited.

The name of the successful competitor whose tender has been accepted, will be pasted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of tender will receive any reply.

On acceptance of one of the tenders, the earnest money on the rejected tender will be refunded.

Charges on account of scaffolding materials, implements for setting out the works, barricading, clearing sites, supply of water, etc., that may be found necessary during execution will not be separately paid for but shall be borne by the contractor.

Rates for the non-tendered and non-estimated items of work shall be as per schedule of rates in the department or those fixed by the Sanitary Engineer after working out data which will be not more than 10 per cent for contractor's profit.

In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Director of Public Health in Mysore, Bangalore, will be final and legally binding.

The work shall be according to the specification in force in the department.

Tenders to be quoted on percentage basis instead of quoting rates for individual items.

MISCELLANEOUS DEPARTMENTS

OFFICE OF THE DIRECTOR OF GEOLOGY IN MYSORE, BANGALORE.

Notification No. G. 1788, *dated 2nd November* 1944.

Since it is under contemplation to withdraw the reservation of Chromite block in Talur Village in Mysore Taluk (known as Talur Chrome Mines), hitherto worked by Government agency, applications are invited from the holders of a valid Certificate of Approval from the Mysore Government for a Mining Lease for Chromite over the block for a period of 10 years. The block comprises 845 acres and includes a main shaft of about 100 feet depth with three auxiliary shafts and other underground workings. It also includes two buildings.

The grant of the lease will be subject to the following terms and conditions:—

(1) The mining lease will be in accordance with the rules in force for the grant of Mining Leases in the State.

(2) Besides the usual payments of application fee security deposit royalty, rent, etc., as per rules in force at the time of grant of the lease, the applicant will have to guarantee a minimum royalty of Rs. 500 per annum from the commencement of the lease.

(3) A reasonable lumpsum price shall also be paid to Government as consideration for the buildings existing at the mine and the development of the mine effected so far.

(4) The stock of chromite and magnesite ores that may be lying on the block at the time the lease is granted shall be at the disposal of the Government.

(5) The Government shall at all times during the term of the lease have the right of preemption at the fair market price for the time being of the mineral lying within the block or elsewhere under the control of the lessee. All or any part of the ores raised from the block shall be reserved and supplied to the Government Industrial Concerns, if required.

(6) Chrome ore shall not be transported to any place outside the State except under permits obtained under the Chrome Control Order so long as it remains in force.

(7) The Government reserve to themselves the right to accept or reject applications or offers, without assigning any reason therefor.

Intending applicants, who possess the valid Certificate of Approval from Mysore Government, may submit their applications in the prescribed form, accompanied by treasury chellan for Rs. 100 as application fee after crediting the amount to "VIII-Mining Revenue, 4 Other Receipts" in favour of the Director of Geology. The application must specify particularly—

(1) the amount which the applicant is willing to pay for (*a*) the existing buildings and (*b*) the shaft and development work done so far,

(2) that the applicant is agreeable to all the terms and conditions mentioned.

The application in the prescribed form (obtainable from the office of the undersigned) complete in all respects, should be addressed to the Director of Geology in Mysore, Bangalore, in a sealed cover and superscribed as "Application for a Mining Lease over Talur Chrome Block." 3127

Notification dated 9th November 1944.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 3 P.M. on the 30th November 1944, for erecting an R. C.C. Circular Tank of 5,000 gallons capacity on 30 feet R.C.C. staging (as per approved design) for improving water supply to Bandipur Circuit House. The work should be completed before the end of March 1945. The tender should be accompanied by detailed drawings of the tank with details of design and calculation sheet. The specification of the tank noted separately should be strictly adhered to.

2. Tenders should be submitted in printed forms. They should be accompanied by a statement showing the rates at which the different items will be executed and these rates will be binding till the completion of the work as per agreement. The printed forms can be obtained from the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, on payment of four annas each.

3. Each tender should be accompanied by a deposit of Rs. 125 in cash (no cheques will be accepted) as earnest money and be superscribed "Tender for Construction of R. C. C. Water Supply Tank of 5,000 gallons capacity on 30 feet staging for improving water supply to Bandipur Circuit House" in default of which the tenders will be rejected. No reference to possible dues from the Department in lieu of cash will be accepted.

4. The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

6. The name of the successful competitor whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of tender will be entertained.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

8. Charges on account of scaffolding materials, implements for setting out barricading, clearing site, supply of water for construction purposes, etc., that may be found necessary during execution will not be paid for separately and should be borne by the contractor and included in the rates for items of tender.

9. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

10. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

11. The required quantity of cement and steel will be supplied departmentally and cost recovered in the contractor's bills together with 10% centage. The contractors shall arrange their own supply of all other materials required for the work.

12. The architectural design that will be included in the cost may be furnished in the drawing which should be accompanied by calculation for the details of shell, pillars, etc.

The following specifications of the tank should be strictly adhered to and the tender should include the cost of providing for the same:—

1. The tank which has to be of Intze type should be provided with an R. C. C. cover so as not to allow dust and rain water to get inside.

2. The tank should be neatly furnished outside with extra cement mortar 1 : 4 plastering $\frac{1}{2}''$ thick and inside with cement mortar 1 : 2 rendering $\frac{3}{4}''$ thick with water proof compounds. The walls and bottom of the tank should be of 1 : $1\frac{1}{2}$: 3 cement concrete and the rest in 1 : 2 : 4 cement concrete.

3. The tank should be provided with a manhole 2′ × 2′ wth iron frame M. S. door with hinges and locking arrangement.

4. An iron ladder to reach the manhole from the ground and another ladder to get inside the tank should be provided. Both the ladders should be slightly inclined to the vertical and provided with hand railing on both sides.

5. A ventilator with finial, the design of which should be got approved, has to be provided on the top cover.

6. The tank should be provided with a water level indicator with float and gauge on one side of the tank so as to be able to read the depth of water in the tank from outside, the design of which should be got approved.

7. C. I. pipes and specials of the flanged type for inlet, outlet, overlow, scour connections, etc., should be fixed in R. C. C. portion of the tank with water-tight joints.

8. Any extra provision for spreading the footings to limit the bearing loads on the soil foundations available will not be paid for extra but will be taken to be included in the quotation.

9. The standard specifications for the materials such as jelly, sand, steel and cement should be adhered to for obtaining the best quality of water proof R. C. C. work and all such materials to be used by the contractor should conform strictly to specifications.

10. The tank after completion will be tested for water tightness and strength by filling it with water to the full storage level and the contractors shall rectify any defects noticed before final claims are prepared.

ENGINEERING DEPARTMENT

OFFICE OF THE ENGINEER OFFICER, BANGALORE CITY IMPROVEMENT TRUST BOARD, BANGALORE.

Notification dated 6th November 1944.

Notice is hereby given that sealed tenders will be received at the Office of the Engineer Officer, City Improvement Trust Board, Bangalore, up to 3 P.M. on 27th November 1944, for constructing storm water drain in Kumara Park Extension from Kumara Park Road to culvert in M. & S. M. Railway Line, Bangalore City.

1 An approximate estimate of quantities may be seen in the Office, during office hours on any working day.

2 The work to be completed by the end of January 1945.

3 Tenders in the prescribed form obtainable on payment of annas four per form from the Office of the Engineer, City Improvement Trust Board, Bangalore, should be addressed to the Engineer Officer, City Improvement Trust Board, Bangalore, in a sealed cover and superscribed as "Constructing Storm Water Drain in Kumara Park Extension," Bangalore City. The name of the tenderer should also be superscribed on the top of the cover.

4 Tender should be quoted on percentage basis on the total estimated cost instead of quoting rates for individual items.

5 Each tender must be accompanied by a duplicate chellan for having credited into the Treasury the deposit amount of Rs. 972 under "17 (*a*) P.W. Deposits" or Mysore Government Bonds duly endorsed at value or market value whichever is less as earnest money to the name of the Comptroller in Mysore, Bangalore.

Y. RAMASWAMY,
398 *Engineer Officer.*

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Notification, dated 7th November 1944.

Sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalrore, up to 3 P.M. on 25th November 1944, for constructing II stage Drains in Bhadravati Old Town at an estimated cost of Rs. 6,890.

2 The work is to be completed by March 1945 and the monthly progress should not be less than Rs. 2,000.

3. The tenders in the prescribed form obtainable on payment of annas four per form from the Office of the Sanitary Engineer, Bangalore, should be addressed to the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, in a sealed cover and superscribed as "Tender for constructing II stage Drains in Bhadravati Old Town." The name of the tenderer should also be superscribed on the top of the cover.

4 Tenders to be quoted on percentage basis, instead of quoting rates for individual items.

5 Items not provided in the estimate will be calculated as per schedule rates or as per data worked out during the execution of the work, subject to the same deduction of percentage as is agreed to by the contractor in his tender.

6 Each tender must be accompanied by a duplicate chellan for having credited into the Treasury the deposit amount of Rs. 345 under "17 (*a*) P. W. Deposits" or Mysore Government Bonds duly endorsed at face value or market value whichever is less as earnest money.

7 The stipulated progress must be shown from the very commencement, failing which the contractor is liable to be fined, forfeit his earnest money, and finally have his contract cancelled without further notice.

3127

Notification dated 9th November 1944.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 3 P.M. on the 30th November 1944, for erecting an R. C.C. Circular Tank of 5,000 gallons capacity on 30 feet R.C.C. staging (as per approved design) for improving water supply to Bandipur Circuit House. The work should be completed before the end of March 1945. The tender should be accompanied by detailed drawings of the tank with details of design and calculation sheet. The specification of the tank noted separately should be strictly adhered to.

2. Tenders should be submitted in printed forms. They should be accompanied by a statement showing the rates at which the different items will be executed and these rates will be binding till the completion of the work as per agreement. The printed forms can be obtained from the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, on payment of four annas each.

3. Each tender should be accompanied by a deposit of Rs. 125 in cash (no cheques will be accepted) as earnest money and be superscribed "Tender for Construction of R. C. C. Water Supply Tank of 5,000 gallons capacity on 30 feet staging for improving water supply to Bandipur Circuit House" in default of which the tenders will be rejected. No reference to possible dues from the Department in lieu of cash will be accepted.

4. The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

6. The name of the successful competitor whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of tender will be entertained.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

8. Charges on account of scaffolding materials, implements for setting out barricading, clearing site, supply of water for construction purposes, etc., that may be found necessary during execution will not be paid for separately and should be borne by the contractor and included in the rates for items of tender.

9. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

10. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

11. The required quantity of cement and steel will be supplied departmentally and cost recovered in the contractor's bills together with 10% centage.

The contractors shall arrange their own supply of all other materials required for the work.

12. The architectural design that will be included in the cost may be furnished in the drawing which should be accompanied by calculation for the details of shell, pillars, etc.

The following specifications of the tank should be strictly adhered to and the tender should include the cost of providing for the same :—

1. The tank which has to be of Intze type should be provided with an R. C. C. cover so as not to allow dust and rain water to get inside.

2. The tank should be neatly furnished outside with extra cement mortar 1 : 4 plastering ½" thick and inside with cement mortar 1 : 2 rendering ¾" thick with water proof compounds. The walls and bottom of the tank should be of 1 : 1½ : 3 cement concrete and the rest in 1 : 2 : 4 cement concrete.

3. The tank should be provided with a manhole 2′×2′ wth iron frame M. S. door with hinges and locking arrangement.

4. An iron ladder to reach the manhole from the ground and another ladder to get inside the tank should be provided. Both the ladders should be slightly inclined to the vertical and provided with hand railing on both sides.

5. A ventilator with finial, the design of which should be got approved, has to be provided on the top cover.

6. The tank should be provided with a water level indicator with float and gauge on one side of the tank so as to be able to read the depth of water in the tank from outside, the design of which should be got approved.

7. C. I. pipes and specials of the flanged type for inlet, outlet, overlow scour connections, etc., should be fixed in R. C. C. portion of the tank with water-tight joints.

8. Any extra provision for spreading the footings to limit the bearing loads on the soil foundations available will not be paid for extra but will be taken to be included in the quotation.

9. The standard specifications for the materials such as jelly, sand, steel and cement should be adhered to for obtaining the best quality of water proof R. C. C. work and all such materials to be used by the contractor should conform strictly to specifications.

10. The tank after completion will be tested for water tightness and strength by filling it with water to the full storage level and the contractors shall rectify any defects noticed before final claims are prepared.

K. S. VENKATARAMANAN,
Sanitary Engineer.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Notification dated 22nd November 1944.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 3 P.M. on 11th December 1944, for erecting an R. C. C. Water Tank of 2,00,000 gallons capacity on 50′ R.C.C. staging (as per approved design) for water supply to Davangere Town. The work should be completed before the end of June 1945. The tender should be accompanied by detailed drawings of the tank with details of design and calculation sheet. The specifications of the tank are notified separately and should be strictly adhered to.

2. Tenders should be submitted in printed forms. They should be accompanied by a statement showing the rates at which the different items will be executed and these rates will be binding till the completion of the work as per agreement. The printed forms can be obtained from the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, on payment of four annas each.

3. Each tender should be accompanied by a deposit of Rs. 2,700 in cash (no cheques will be accepted) as earnest money and be superscribed "Tender for constructing an R. C. C. Water Supply Tank of 2,00,000 gallons capacity on 50 ft. R.C.C. staging for Water Supply to Davangere Town", in default of which the tenders will be rejected. No reference to possible dues from the Department in lieu of cash will be accepted.

4. The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

6. The name of the successful competitor whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of tender will be entertained.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

8. Charges on account of scaffolding materials, implements for setting out barricading, clearing site, supply of water for construction purposes, etc., that may be found necessary during execution will not be paid for separately and should be borne by the contractor and included in the rates for items of tender.

9. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

10. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

11. The required quantity of cement and steel will be supplied departmentally and cost recovered in the contractor's bill together with 10% centage. The contractors shall arrange their own supply all of other materials required for the work.

12. The architectural design that will be included in the cost may be furnished in the drawing which should be accompanied by calculations for the details of shelt, pillars, etc.

Abstract Notification dated 6th November 1944.

The attention of the public is invited to the notification dated 23rd November 1944, published in the *Mysore Gazette*, Part VI, page 718, dated 23rd November 1944, calling for tenders to be received on 16th December 1944, for the supply by contract of mutton without bones required for the Bangalore Central Jail, during the Calendar year 1945.

3607 ———

Notification dated 10th November 1944.

Notice is hereby given that sealed tenders in duplicate will be received at 11 A.M. on Wednesday the 13th December 1944 for the supply by contract of the miscellaneous articles required for the Manufacturing Department of the Central Jail at Bangalore, from 1st January 1945 to 31st December 1945 both days inclusive.

2. No tenders will be received after the date and hour abovementioned.

3. Tenders should be superscribed "snuff, beedy, tobacco and match boxes, etc." for the Manufacturing Department of the Bangalore Central Jail.

4. The tenderers should deposit Rs. 50 as earnest money along with the tender.

5. Tenders will be opened by the Superintendent, Central Jail, Bangalore, on the date and hour mentioned.

6. The deposit of the successful competitor will be retained and will be forfeited if he fails to execute the contract bond or to furnish security to the amount of Rs. 100 in cash within three days from the acceptance of his contract being made known to him.

7. The acceptance or rejection of the tender rests with the Inspector-General of Prisons in Mysore, Bangalore, who does not bind himself to accept the lowest or any tender or to assign any reasons for not accepting any tender.

8. No advance of cash will be made to the contractor. Payments of articles supplied in each month will be made by the Superintendent, Central Jail, Bangalore, as soon as possible after the tenth of the following month on his producing the necessary bill with vouchers.

9. All articles to be of the best quality as per specifications given and samples approved by the Superintendent. The samples of articles to be kept by the successful competitor in the Office of the Superintendent.

10. Tenders must specify the rate at which each article will be supplied and in no case indefinite rate such as from..... ...annas to rupees per article or "the rates for different qualities" will be accepted. Tenders not conforming to this rule will be rejected.

11. Articles ordered should be supplied within two days of receipt of indent and those rejected, should be replaced within the day. If the articles are not received within the specified date, they will be purchased from the open market and the cost charged to the contractor.

12. The contract must not be sublet. The quantities noted are not guaranteed. The indents will be given from day to day for any small quantities according to demands for work on hand.

13. The orders will be distributed to the tenderers according to the lowest rates tendered, and the best quality of articles should be supplied according to specifications; any dispute as to the quality will be settled by the Superintendent, whose decision is final.

14. A fine not exceeding Rs. 10 will be levied for any infringement of the terms of the contract or for the supply of inferior articles and the security confiscated to Government in the case of continued or frequent violation of the terms of the contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Inspector General of Prisons, who will have power to fine up to Rs. 20.

15. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also make good to Government any loss which may arise from such cessation.

16. The decision of the Inspector-General of Prisons will be final in all questions of any infringement of the contract.

17. The contractor will be bound on occasions of emergency, to supply any other articles that are not mentioned in the schedule appended to the notice at prevailing market rates and at short notice.

18. Articles to be supplied should strictly conform to the number or quantity indented for. They should be either weighed, measured, or counted as the case may be at the time of delivery. Any excess over the quantity indented for should be removed immediately.

19. List of articles, with probable quantities required for the manufacturing department of this jail is appended hereto.

20. If any articles other than those listed in the schedule are required they should be supplied at the lowest market rate commensurate with the quality.

21. A certificate of solvency of the tenderer obtained from the Revenue Officer in the case of residents of Bangalore City or Cantonment that he is solvent to the extent of the value of six month's averege supply has to be produced along with the tenders.

C. C. Water Tank of 2,00,000 gallons capacity on 50′ R.C.C. staging (as per approved design) for water supply to Davangere Town. The work should be completed before the end of June 1945. The tender should be accompanied by detailed drawings of the tank with details of design and calculation sheet. The specifications of the tank are notified separately and should be strictly adhered to.

2. Tenders should be submitted in printed forms. They should be accompanied by a statement showing the rates at which the different items will be executed and these rates will be binding till the completion of the work as per agreement. The printed forms can be obtained from the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, on payment of four annas each.

3. Each tender should be accompanied by a deposit of Rs. 2,700 in cash (no cheques will be accepted) as earnest money and be superscribed "Tender for constructing an R. C. C. Water Supply Tank of 2,00,000 gallons capacity on 50 ft. R.C.C. staging for Water Supply to Davangere Town", in default of which the tenders will be rejected. No reference to possible dues from the Department in lieu of cash will be accepted.

4. The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful tenderer will be required, to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

6. The name of the successful competitor whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of tender will be entertained.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

8. Charges on account of scaffolding materials, implements for setting out barricading, clearing site, supply of water for construction purposes, etc., that may be found necessary during execution will not be paid for separately and should be borne by the contractor and included in the rates for items of tender.

9. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

10. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

11. The required quantity of cement and steel will be supplied departmentally and cost recovered in the contractor's bill together with 10% centage. The contractors shall arrange their own supply all of other materials required for the work.

12. The architectural design that will be included in the cost may be furnished in the drawing which should be accompanied by calculations for the details of shell, pillars, etc.

3607

Notification dated 10th November 1944.

Notice is hereby given that sealed tenders in duplicate will be received at 11 A.M. on Wednesday the 13th December 1944 for the supply by contract of the miscellaneous articles required for the Manufacturing Department of the Central Jail at Bangalore, from 1st January 1945 to 31st December 1945 both days inclusive.

2. No tenders will be received after the date and hour abovementioned.

3. Tenders should be superscribed "snuff, beedy, tobacco and match boxes, etc." for the Manufacturing Department of the Bangalore Central Jail.

4. The tenderers should deposit Rs. 50 as earnest money along with the tender.

5. Tenders will be opened by the Superintendent, Central Jail, Bangalore, on the date and hour mentioned.

6. The deposit of the successful competitor will be retained and will be forfeited if he fails to execute the contract bond or to furnish security to the amount of Rs. 100 in cash within three days from the acceptance of his contract being made known to him.

7. The acceptance or rejection of the tender rests with the Inspector-General of Prisons in Mysore, Bangalore, who does not bind himself to accept the lowest or any tender or to assign any reasons for not accepting any tender.

8. No advance of cash will be made to the contractor. Payments of articles supplied in each month will be made by the Superintendent, Central Jail, Bangalore, as soon as possible after the tenth of the following month on his producing the necessary bill with vouchers.

9. All articles to be of the best quality as per specifications given and samples approved by the Superintendent. The samples of articles to be kept by the successful competitor in the Office of the Superintendent.

10. Tenders must specify the rate at which each article will be supplied and in no case indefinite rate such as from.....annas to rupees per article or "the rates for different qualities" will be accepted. Tenders not conforming to this rule will be rejected.

11. Articles ordered should be supplied within two days of receipt of indent and those rejected, should be replaced within the day. If the articles are not received within the specified date, they will be purchased from the open market and the cost charged to the contractor.

12. The contract must not be sublet. The quantities noted are not guaranteed. The indents will be given from day to day for any small quantities according to demands for work on hand.

13. The orders will be distributed to the tenderers according to the lowest rates tendered, and the best quality of articles should be supplied according to specifications; any dispute as to the quality will be settled by the Superintendent, whose decision is final.

14. A fine not exceeding Rs. 10 will be levied for any infringement of the terms of the contract or for the supply of inferior articles and the security confiscated to Government in the case of continued or fequent violation of the terms of the contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Inspector General of Prisons, who will have power to fine up to Rs. 20.

15. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also make good to Government any loss which may arise from such cessation.

16. The decision of the Inspector-General of Prisons will be final in all questions of any infringement of the contract.

17. The contractor will be bound on occasions of emergency, to supply any other articles that are not mentioned in the schedule appended to the notice at prevailing market rates and at short notice.

18. Articles to be supplied should strictly conform to the number or quantity indented for. They

should be either weighed, measured, or counted as the case may be at the time of delivery. Any excess over the quantity indented for should be removed immediately.

19. List of articles, with probable quantities required for the manufacturing department of this jail is appended hereto.

20. If any articles other than those listed in the schedule are required they should be supplied at the lowest market rate commensurate with the quality.

Notification dated 10th November 1944.

Notice is hereby given that sealed tenders in duplicate will be received at 11 A.M. on Wednesday the 13th December 1944 for the supply by contract of the miscellaneous articles required for the Manufacturing Department of the Central Jail at Bangalore, from 1st January 1945 to 31st December 1945, both days inclusive.

2. No tenders will be received after the date and hour abovementioned.

3. Tenders should be superscribed "snuff, beedy, tobacco and match boxes, etc." for the Manufacturing Department of the Bangalore Central Jail.

4. The tenderers should deposit Rs. 50 as earnest money along with the tender.

5. Tenders will be opened by the Superintendent, Central Jail, Bangalore, on the date and hour mentioned.

6. The deposit of the successful competitor will be retained and will be forfeited if he fails to execute the contract bond or to furnish security to the amount of Rs. 100 in cash within three days from the acceptance of his contract being made known to him.

7. The acceptance or rejection of the tender rests with the Inspector-General of Prisons in Mysore, Bangalore, who does not bind himself to accept the lowest or any tender or to assign any reasons for not accepting any tender.

8. No advance of cash will be made to the contractor. Payments of articles supplied in each month will be made by the Superintendent, Central Jail, Bangalore, as soon as possible after the tenth of the following month on his producing the necessary bill with vouchers.

9. All articles to be of the best quality as per specifications given and samples approved by the Superintendent. The samples of articles to be kept by the successful competitor in the Office of the Superintendent.

10. Tenders must specify the rate at which each article will be supplied and in no case indefinite rate such as from.....annas to rupees per article or "the rates for different qualities" will be accepted. Tenders not conforming to this rule will be rejected.

11. Articles ordered should be supplied within two days of receipt of indent and those rejected, should be replaced within the day. If the articles are not received within the specified date, they will be purchased from the open market and the cost charged to the contractor.

12. The contract must not be sublet. The quantities noted are not guaranteed. The indents will be given from day to day for any small quantities according to demands for work on hand.

13. The orders will be distributed to the tenderers according to the lowest rates tendered, and the best quality of articles should be supplied according to specifications; any dispute as to the quality will be settled by the Superintendent, whose decision is final.

14. A fine not exceeding Rs. 10 will be levied for any infringement of the terms of the contract or for the supply of inferior articles and the security confiscated to Government in the case of continued or fequent violation of the terms of the contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Inspector General of Prisons, who will have power to fine up to Rs. 20.

15. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also make good to Government any loss which may arise from such cessation.

16. The decision of the Inspector-General of Prisons will be final in all questions of any infringement of the contract.

17. The contractor will be bound, on occasions of emergency, to supply any other articles that are not mentioned in the schedule appended to the notice at prevailing market rates and at short notice.

18. Articles to be supplied should strictly conform to the number or quantity indented for. They should be either weighed, measured, or counted as the case may be at the time of delivery. Any excess over the quantity indented for should be removed immediately.

19. List of articles, with probable quantities required for the manufacturing department of this jail is appended hereto.

20. If any articles other than those listed in the schedule are required they should be supplied at the lowest market rate commensurate with the quality.

NOTICE OF VACANCIES.

Notification No. 2446—*P. S. C., dated 12th December* 1944.

It is hereby notified for the information of candidates seeking employment that the following vacancies will be filled up shortly. Intending candidates should submit their applications, in duplicate, in the prescribed form to the undersigned, together with copies of testimonials, if any, on or before the date specified against each vacancy. Candidates in service should submit their applications through their official superiors and those applying for more than one vacancy should submit separate applications in duplicate in respect of each vacancy. Vacancies under "A" Class are open to candidates of all communities and the best qualified applicants for the same will generally be selected. Vacancies under "B" Class are reserved for candidates belonging to Backward Communities and the best qualified applicants from among them will generally be selected.

N.B.—(1) No notice will be taken of applications not submitted by the due date in the prescribed form or of those which, though in the prescribed form, do not furnish all the particulars required in the various columns or of those not referring to any specific vacancy advertised in the Gazette.

(2) The serial number of the vacancy applied for should be quoted at the top of the application in bold figures and application should always be addressed to the Public Service Commissioner for Mysore, Bangalore, and not to his personal address by name.

(3) Candidates already in service, whether permanent or temporary, should apply through their official superiors. Applications received direct from such candidates will not be considered.

(4) Candidates must be Mysoreans by birth or domicile. Where an applicant claims to be a domiciled Mysorean, a certificate from a Gazetted Officer of the Mysore Service showing the ground for the claim should be enclosed.
